Exhibition Halls

Three dynamic exhibition halls with 224,000 square feet of space can be utilized for all types of events. The space divides into three separate halls to accommodate a variety of events.

Arena

The Long Beach Arena can be utilized for events such as exhibits, concerts, and sporting events-including ice events and special events and parties. The Pacific Room at the Long Beach Arena is a lavish setting that brings together sight, sound, and space.

Meeting Rooms

Our newly redesigned meeting rooms, fully equipped with experiential enhancements, allow attendees to share and connect like never before.

Beverly O'Neill Theater

The intimate Beverly O'Neill Theater at the Long Beach Performing Arts Center is beautifully decorated and offers excellent visibility from any seat.

Terrace Theater

The beautiful Terrace Theater at the Long Beach Performing Arts Center is a full production theater with seating shaped in a comfortable continental style.

Special Events

The Long Beach Convention & Entertainment Center has evolved. Your ability to build multi-sensory experiences that will create lasting memories will be limited only by your imagination.

 - Center theater: 825 seats
 - Arena: 13500 seats in case we need it!!

We have contacted LBCC & ICML !

“The Long Beach Convention Center and surrounding hotels would be a great fit for CVPR and co-locating ICML. The convention center has adequate space and could easily accommodate our needs.

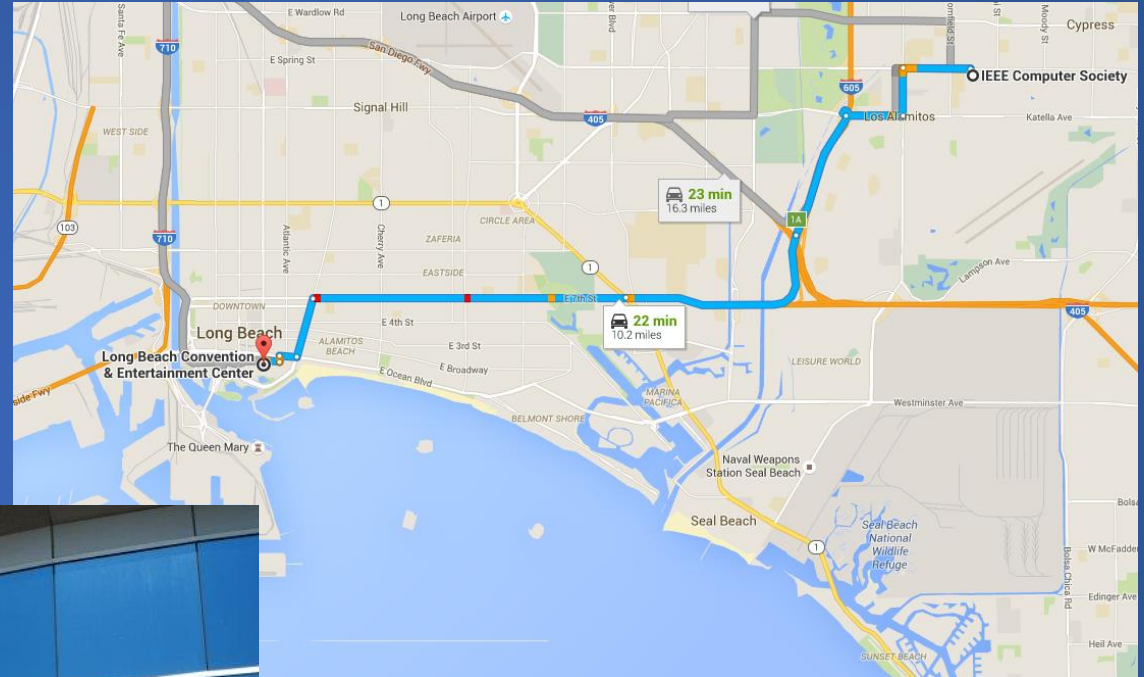

I have worked with LBCC staff to hold on June 15- 21, 2019 for CVPR and June 8- 14, 2019 for ICML on a second option basis*.”

---- Nicole Finn, Event Manager

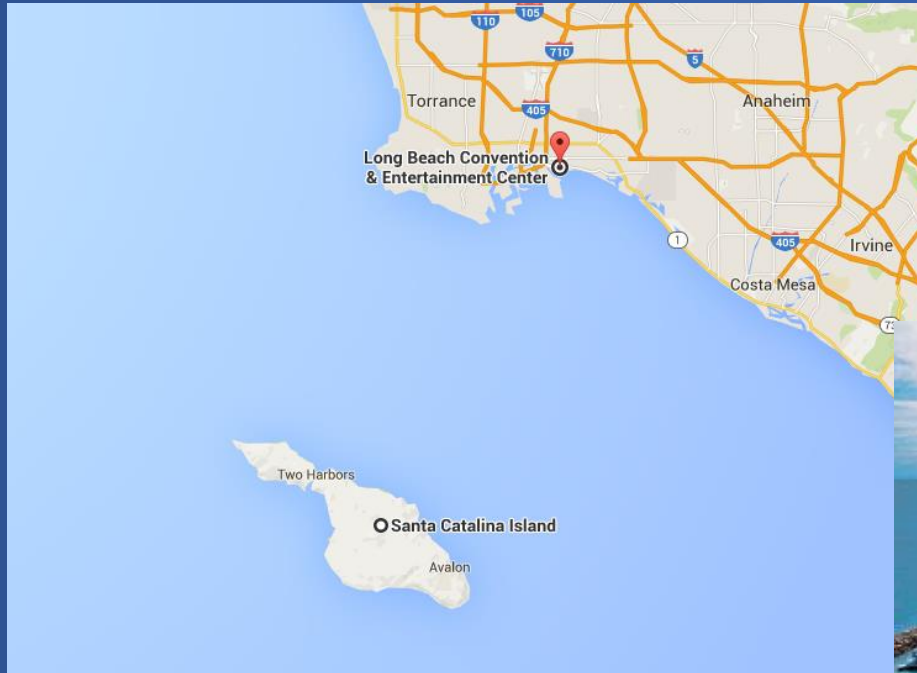

* Second option basis means: if we win the bid for CVPR2019 and are ready to sign contract officially, LBCC will give the other group 24 hours to sign a contract if the date happens to be reserved by other group in the period from now to our decision time.
